

Edward Henry Potthast (American, 1857-1927). *Ring around the Rosy*. Circa 1915. Oil on panel. Daniel J Terra Collection, 1992.58. Terra Foundation for American Art, Chicago, USA. Photo Credit: Terra Foundation for American Art, Chicago / Art Resource, NY.

On this month's cover: a wistful look back at the summer that just raced past us. Potthast began as a lithographer and later studied painting in Munich and Paris. Adopting Impressionism relatively late in life, he excelled at sun-washed works that celebrated the movement of children at play.
